*Tenth Anniversary Edition*

**Editor-in-Chief—Wilma Chidester**

**Business Manager—Patricia Dwyer**

Friends . . . reviewing the first decade . . . North's principal, H. Earle Weaver, with Wilma Chidester, Wampum editor-in-chief, and Richard Every, student president.

# *A Tom-tom Beats*

To Mr. H. Earle Weaver this tenth anniversary issue of the Wampum is affectionately dedicated.

Above all others, Mr. Weaver was the creator and the molder who made from a mass of brick and mortar "the friendly school," where faculty-student relations mean companionship. He was the promoter of a progressive school policy by which students assumed greater responsibility for their daytime environment. Feeling strongly that student opinion counts, he has encouraged committees in which students often far outnumber faculty members and thus has fostered formulation of school policies by representative groups working in harmony. He has always maintained an attitude at North of a "square deal," trying to sympathize with the students' point of view, their problems, and their reactions. Willing, even eager, he gives any new project a fair trial; if the venture proves unsuccessful, he challenges its promoters to find the better way. Rather than strive to match rival schools, he seeks ever to meet the needs of his own students. North has developed in ten years an individuality among Southern Tier high schools — one that characterizes so completely that same friendliness, cooperation, and progressiveness of North's principal — Mr. H. Earle Weaver.

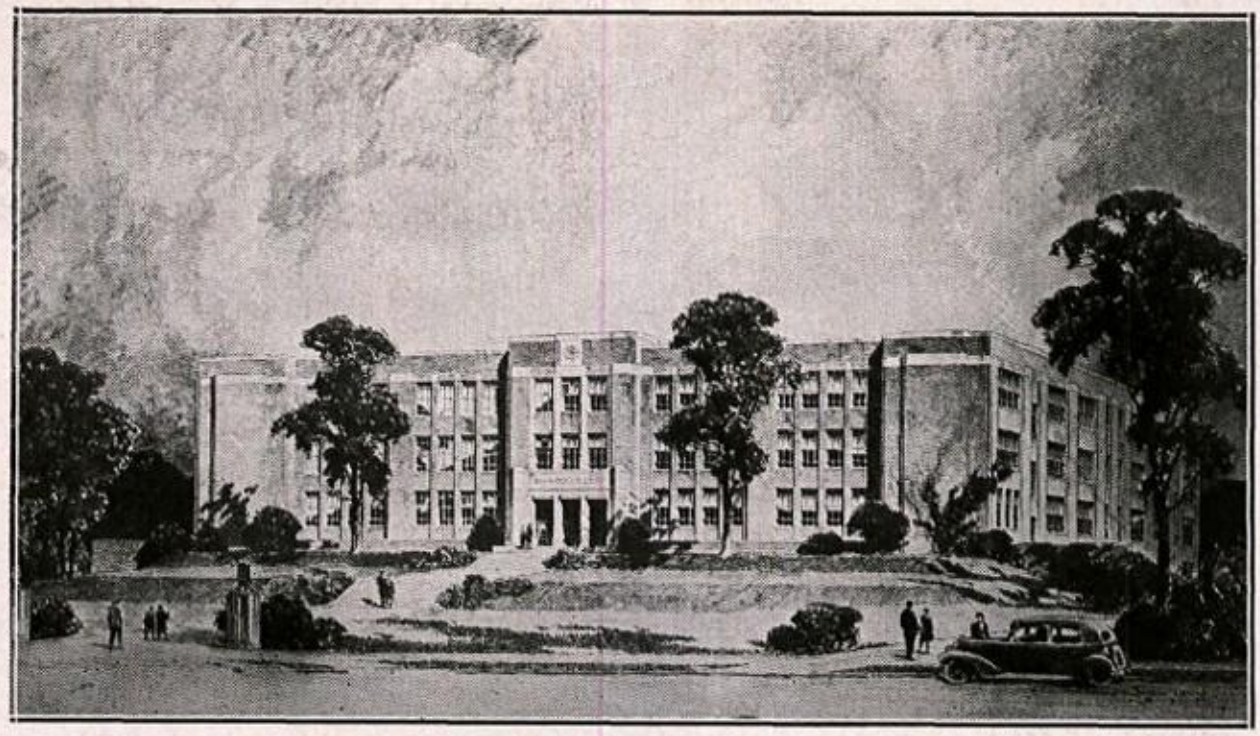
# Tenth Harvest

*Many moons have passed—many traditions made since our tepee flaps were first thrown open to 1,500 students in the fall of 1937. Planned as a million-dollar W. P. A. project in the midst of the depression, our reservation became an actuality when the smoke of blue and scarlet flames began to curl into the skies from the campfires of North High.*

*Where Andrews Avenue meets East Frederick Street—that was the chosen campsite, but before the 1937 Christmas vacation our tribe was facing its first foremost problem, a tepee shortage. Sophomores, spending their first "Indian summer" at the Old State Armory, were inconvenienced by crowded classrooms, narrow, traffic-jammed stairways, and short hours. Juniors and seniors complained comparatively little about no lockers and only insufficient equipment during their afternoon sessions at East Junior.*

*Parents' Night — February 14, 1938 — Binghamton thronged through our wide impressive main entrance and roomy corridors to see our brand new classrooms and laboratories with up-to-date equipment; our ground floor technical, industrial and vocational shops; our first floor with its smart modern administration offices, gymnasiums, well-planned and well-stocked library; our second floor with its model apartment; our third floor with its cafeteria decorated in modern tempo, vocal and instrumental music and practice rooms; and most of all, our amazingly spacious auditorium with the second largest proscenium arch in the United States, bowing only to that of Radio City Music Hall—Two hundred and eighty rooms of B.N.H.S.*

*Classes began—even that first year North High, built to relieve the crowded city classrooms, was itself crammed.*



The Architect's
Vision of North

*Initial academic endeavor was challenged by workmen installing machinery and last equipment. The next year local papers headlined "North's rain" whenever storms drenched third floor ceilings. Better waterproofing brought relief—Our mountainous backyard was leveled off for parking areas and a fitting athletic field. At the front, shrubbery and trees were planted, low fences added along the walks.*

*Then in the fall of 1939 a catastrophe struck. Even though letters over the main entrance proclaimed this as "Binghamton North High School" and every side entrance bore "B.N.H.S.," still because petitioning East Side residents felt that North as a name was inappropriate, we became East High—that is, until our Student Council held a powwow, went on the warpath to "Keep North High, North High," won a victory and raised a wa-hoo.*

*And, through the years down the towpaths of our Happy Hunting Grounds we have found feathers marking the trails of our North High Indians. Of the chieftains one was Jim Barnes; another, Don Jones who originated "I'll always carry a red and blue chip on my shoulder."*

*Many went out carrying a peacepipe and dreams—War interrupted—Every school activity focused on our Great Father's battlefronts—Gone now is the threatening cloud. But many did not return; so, in fitting tribute this anniversary year of North we have dedicated two bronze plaques to those fifty-four loyal braves who will not join us in our traditional Alumni Day or observe with us this tenth birthday celebration in peace.*

*Inheritors of the Indian tradition so unsuspectingly begun by our first coach, Bob Redman, we celebrate this our tenth harvest with a feast recalling our powwows, the glories of our chieftains, and the prowess of our warriors, woven into the blue and scarlet beads of our tribe's Wampum.*

*Along the Susquehanna our tom-tom beats and all know our tribe—We are the redmen, the Indians of North High.*

*Let's reminisce about North's first tribes—of classes seeking academic and technical training in a modern specialized high school—of cafeteria supervision during the brief noon hour—of that "day of infamy" which led many Indians to leave peaceful classrooms and windy stadium bleachers to don warpaint—of hushed students in cafeteria lines listening to President Roosevelt in meaningful silence that December eighth—of the proud record of training workers for war industries who met with preference on the job—of Tuesday Bank Day superseded by Tuesday Stamp Day—now of returned servicemen thronging special veterans' classes—of squaws and braves captivated by strains of melodies around our juke box and of the effervescent spirit of "the people."*

# *Commencement ~ North High Style*

Commencements at North have never followed the conventional pattern; instead they have set a tradition of their own, namely the elaboration of a central theme through varied dramatic devices, some of them totally new to the high school stage. "Pioneering," theme of January '39, was a series of pantomimes climaxing with a final tableau of an Indian, symbolic of North's spirit. A film entitled "Dawn to Dusk," produced by the students and faculty and made possible by the combined gifts of the June class of 1940 and Ansco, ran about thirty minutes and told the story of a student's typical day at North. A dramatic poem portraying the rise of Hitler and his destruction of good education influences, "They Burned the Books," was given by the January '43 class. The following January came the startling drama, "The Strange Case of Johnny Black," which turned a stage character into a Negro right before the unbelieving eyes of the audiences and pointed up the race problem in America. Radio scripts and space stage plays such as "A Throne of Bayonets" revealed what the graduates were thinking and what they conceived their problems to be in the war effort, and "We Are Such Stuff as Dreams Are Made On" characterized the three types of dreamers: the fanatical dreamer, the day dreamer, and the "Toyland Thinker."

Graduations at North from year to year have taken their place on the school calendar as major productions. Spearheaded by the classes' best actors, they have interpreted the progressive spirit and goals of North in particular and of American education in general and have maintained a superb standard of craftsmanship under the direction of Mr. Raymond Merchant.

**OPPOSITE PAGE**

**Top left—Chalk talk:** The foundation for many highly skilled careers, math increase ability to think. Solving complex problems trains in the logical reasoning which should be applied to everyday life. **Top right—Lab lads:** Vast opportunities offered to all of today's high school students in earth science, chemistry, and physics await these technical boys in electrical or mechanical engineering.

**Second left—Limber fingers:** The virtue of promptness is but one of the precepts impressed on commercial students to prepare them to get along well with others. **Second right—Gracious ladies:** Being a hospitable hostess and congenial guest is practiced by homemaking girls as they learn to make the home a healthful, attractive, pleasant place to live.

**Third left—Foreign friends:** Through appreciation of other peoples' music, language, customs, literature, geography, politics, American high school students can acquire the "one world" spirit. **Third right—Views on the news:** Having studied events of the past, these students seriously tackle today's problems and prepare themselves to be intelligent and useful citizens of tomorrow.

**Lower left—Good health is wealth:** Annual physical checkups and informative health courses are a "must" if the high school graduate is to be healthy in mind and body. **Lower right—Literary lineup:** To lead a well-rounded life, the student learns to look in literature for pleasant diversion, a wealth of useful knowledge, and understanding of the human heart.

**Top left—Carrying the ball around left end:** Boys relax in a game of touch football. Gym classes aim to build physically through active games. **Top right—Hour of hockey:** Not only do girls learn sports rules but they are also trained in alertness, observation, ability, and, most important, "fair play."

**Lower left—Brass class:** The trumpet quartet rehearses in the sound proof (?) music room. Regular instruction in instrumental and vocal music is provided and those who are interested or show ability are given lessons. **Lower right—Color crazy:** Emotional (and how!) abstractions portray feelings rather than an actual scene. Studied for their value of composition, space arrangement and color, abstractions have proved interesting and have provided much humor.

**OPPOSITE PAGE**

A major accomplishment of North's first decade was training workers for war industries. Fortunate in its splendid equipment and trained teachers, North was probably the first school in the state to get under way when orders came to start a defense training program. With hundreds of applicants on the waiting list, classes were run on a twenty-hour schedule, offering accelerated work at night in all regular technical, vocational and industrial subjects. This program has now been adapted into the Veterans' School.

**Top left—Elementary auto shop:** Installing pistons is one phase of the elementary auto course which provides exploration into and leads to advanced work in auto mechanics. **Top right—Electricity:** Power test and experimental laboratory work prepares boys for college or entrance into industry as technicians or junior engineers. Industrial course prepares boys to become apprentice electricians.

**Second left—Machine shop** teaches students tool making and operation of machines used in industry, and on the technical level prepares for college or for work as technicians. **Second right—Fundamentals of aviation:** Understanding engine construction is requisite to a full knowledge of operation and care of airplanes for private flying.

**Third left—Drafting:** Mechanical Drawing and Applied Drafting teach boys basic procedure and fundamental knowledge in preparation for advanced work in drafting. **Third right—Print shop:** Locking up of type is one project of the course which prepares students for industrial printing.

**Lower left—Sheet metal shop** is designed to teach the student fundamentals of sheet metal work and to help him develop good industrial habits. **Lower right—Photography:** Enlarging photos is included in the photography course set up to give amateur photographers a basic knowledge of the composition, development, and printing of good pictures.

**BELOW**

**Top left—Nutricious and Delicious:** Ever-on-the-job cafeteria staff offers Indians meals with appetite appeal. **Top right—Books are Bridges:** Books tempt students to improve their use of leisure, to broaden their appreciation, to make of themselves integrated personalities and to lead some to creative work.

**Lower left—Food Famine?** No siree—not here with this food crew on the beam: Doris Higgins, Adelaide Whitaker, Betty Kane, Marion Nash, Edith Ingrahan (Head Dietician), Beatrice Rich, Helda Becker, Ida Cramer, and Jane Goodrich.

**Lower right—Noontime Pastime:** The men that give North that oxydol sparkle take time out for a game of quoits: Leonard Phillips, Jess Gross, Wallace Osier, Claude Jones (Head Custodian), Stanley Pender, William Hall, Karl Have. Kneeling: Benjamin Hunt.

*In the beginning men created this school—an empty edifice lacking the full richness of student endeavor. But 1,500 teen-age trail-blazing Indians soon made North's halls hum with activity and by the end of our first year twelve active organizations were rallying respect and recognition for our reservation. Now the tribe has dwindled to 1,200 and through twenty-three guilds, societies and clubs, we Indians entertain, develop our talents, serve the city and our school and award individual honor for outstanding leadership, scholarship and service. Our annals are filled with lively accounts of Indian doings—recording ten years of true school spirit—North's spirit of friendly fellowship.*

# *Weaving Tribal Tales*

Like the Indians who had their wampum to carry as a reminder of their wealth, North's Indians have had their Wampum with its wealth in records of activities, ever since its first appearance in June, 1938.

Year by year the publication has progressed from a "Trail Blazing" issue printed in the North High print shop and produced by Mr. Charles MacInnis and a stalwart staff entirely within the short space of the spring term, the first term North's students met as a unit within the walls of North High. Never has the Wampum been classified below honor rank, advancing from third honors to first place rating for the last three books. Themes have centered about North's Indian tradition, school life, the war effort, the readjustment to peace-time life, and finally this tenth anniversary. The 1942 book, with plans well under way before December 7, 1941, met the challenge of the hour by developing the "Four Freedoms" theme. Mr. Joseph Normile, sponsor after Mr. MacInnis' departure in 1940, left in 1942 to enter the war industry and Miss Heffron became sponsor.

During the war years, despite shortages of film, paper, cover materials and problems that only the staff worried over, the Wampum continued to keep intact the recorded history of North High, particularly in its response to the war effort and the publication of the names of the boys in service. The 1945 edition carried pictures of and was dedicated to the thirty-seven North High boys who had given their lives before January 1, 1945; the 1946 issue did the same for the last seventeen heroes. All this was made possible by the cooperation of parents and friends who expressed gratification that their Alma Mater had given the boys this small recognition.

Faced with rising prices of labor and materials, but determined that this book shall be worthy of North's ten years' glorious growth, the 1947 staff has woven another treasury of North's tribal history just as the Indians wove their beautiful beaded wampum long ago.

# *Councils and Chieftains*

Big powwow of the Indian reservation established that first year to create understanding and cooperation between students and faculty, Student Council has developed spirit and loyalty, patriotism and sportsmanship since 1937. Constantly being stimulated by steady streams of new blood into its ranks, today the council is the core of school life from which all forms of student endeavor derive their impetus.

Those pioneering students, having written the framework of the constitution under the direction of Mr. Maxwell Space, were succeeded by equally capable chieftains and councils who modified and enlarged the activities of the student government as needs arose. As student scope of interest increased, a method of chartering clubs and a system of granting awards were devised; and as North's horizons broadened, the council accepted membership and active participation in the Southern Tier Inter-Scholastic Association and Tri-Cities Council.

Traditionally, Student Council sponsors varied entertanment for the nocn hour program and provides noteworthy paid assemblies each semester. By tag sales, conducted every term, the council's members are able annually to donate a Christmas check to the Volunteers of America and provide flowers for veterans' graves on Memorial Day. Encouraging student participation in stamp and bond sales and personally sending Christmas greetings to North's boys overseas were wartime customs all supervised by Miss Gertrude O'Connor, after Mr. Space became a Naval lieutenant.

Mr. Webster Haight took over the duties of sponsor in September, 1946. Plans already under way for a memorial to North's fifty-four war dead were completed, and in November two bronze plaques were dedicated to their memory. The number of candidates seeking student office having become too large to present in a single nomination assembly, an amendment was voted providing primary elections, the details of which have not yet been worked out. On April 26 the honor of acting as host to the first Broome County Youth Forum fell to North and testifies to the esteem North has won for itself in its first decade.

The sounding of taps and the national anthem completed the dedication.

## *"Do Unto Others"--*

"Service to Others," a film shown at North dramatizing Red Cross work, sums up the record of North's Junior Red Cross since 1937. In 1937 it sponsored an open house to which City Council came. It has packed Red Cross boxes to send overseas and, during the war, to soldiers; it has given cookies, jams, jellies, toys to the needy. Student response to its annual appeals and to polio and cancer drives has been generous.

Third left — Spring officers — Back row: Standing: Robert Giblin, vice-president; David Clark, treasurer. Front: Joyce Mullen, secretary; John Donnelly, president.

## *Craftsmen*

To further art development and new art interests, Brush and Palette was created in 1945. Though in existence for only three years, it has achieved much: 1945—Christmas cards for the Red Cross; 1946—two honorable mentions in the American Legion poster contest and ribbons and honorable mentions in Scholastic magazine contest, a feat repeated in 1947. Murals for the art room, signs and posters for other departments, painting stage sets for Little Theater Guild's productions wore down 1946-47 Indian paint brushes.

GREETINGS

# Rhythm, Rhyme and Rhapsody

## Dance Band

When North's jive-loving junior set think of swing, they think of their own swing band organized in 1945 to provide solid entertainment at noon hour programs, dances and assemblies. This year they performed at junior high schools, Central and Union Endicott. They played for a special fund-raising dance sponsored by the instrumental music department to buy additional band uniforms and at the opening session of the Broome County Youth Forum in April.

Back row: Gathel Scoville, soloist; Bill Jamieson, pianist; Gerald Palmer, soloist; Martha Kranwinkel, bass viol; Kenneth Bitting, guitar; Douglas Seaman, drummer; Paul Benjamin, Archie Gaige, David Bertholf, cornets. Front row: Kenneth Page, Francis Letavich, Louis Stirpe, Bruce Watson, Paul Dillingham, saxaphones; Earl Benjamin, George Peet, trombones; Mr. Bernard Shifrin, director and master of brass.

## Choir

Organized originally in 1937 by Mr. Ray Hartley as an a capella group, North's Choir has always been composed of carefully selected students interested in harmony, composition and the value of music. Through the proceeds of its concerts, the organization has succeeded in being self-supporting. It has participated in baccalaureate services, Christmas and Easter programs and broadcasts over WNBF and has entertained at Rotary, Kiwanis, and Business Women's luncheons, and competed in State Sectionals. This year, under direction of Miss Marion Thornburn and with Bernard Mahoney as accompanist, the Choir made its customary appearances and on May 8 participated in the Triple Cities Musical Contest.

## Band

During the fall term of 1937, the North High Band was organized by Mr. Charles Budesheim and sixty-seven students. Wearing the blue and scarlet of North, the band from the first won favor for Binghamton's newest school through its public appearances in patriotic parades, at Christmas and spring concerts, at a concert at the State Hospital, and by winning both group and individual ratings at the annual All-State Band and sectional contests. Mr. Budesheim was succeeded by Mr. Richard McCutchan, now on military leave, and then by Mr. Bernard Shifrin. This year as usual the band served as a morale builder at football games and rallies.

Second row, right to left: Barbara Baker, Robert Lane. Front row, right to left: Kenneth Page, Norman Reynolds. Mr. Bernard Shifrin, director.

## Orchestra

Looking over the record of the past ten years, orchestra members can take pride in their organization, ever since, under the baton of Mr. Charles Budesheim, they established a series of traditional services. They furnish music for North's plays, commencements, special assemblies, give concerts, and compete creditably at the All-State and sectional contests. In addition, this year they participated in the Triple Cities High School Orchestra which performed during Music Week.

# *Master Maskers*

During the years succeeding 1938, when the Guild and Stage Crew were first established under the superb supervision of Mr. Raymond D. Merchant, North's Little Theater Guild has produced a variety of actors and stage plays of which every North High Indian can be proud. Guild members and "Merch" have worked in close harmony to promote the fundamentals of acting and to bring good drama to North's stage. This organization of some seventy active members participates in better assembly programs for diversion from the "old routine," besides presenting their own productions.

Guild awards, earned on a point basis are: the single award, a gold pin of two masks each set with a ruby in the forehead, earned by securing seven points; the double award, the addition of a chain guard to the single award pin obtained in return for fourteen points; the Special Actor's award, Constantin Stanislavsky's "The Actor Prepares," given for twenty-one points. The supreme achievement is the winning of a "Denny" by securing twenty-six points. The "Denny" is a small statue of male victory engraved with the winner's name. A larger statue, an exact replica of the individually awarded trophy, is owned by the Guild and, inscribed at the base, are the names of all those who win a "Denny." Named after Mr. Merchant's middle name, Denmark, the "Denny" closely corresponds to the Hollywood "Oscar." Award points are earned by taking roles in the plays, serving on active committees, selling tickets for the productions, and doing special types of performance work.

## "THE BLACK FLAMINGO"

Action and suspense were combined to keep audiences on the edge of their seats at the Guild's fall performance of "The Black Flamingo," set in 1789 in the midst of the French Revolution. Besides those pictured, the cast included Gene Cross, Jene DuBois, Philip Coule, Anne Oana, Betty Lou Taylor, Philip Chamberlain, Robert Steere, Byron Sterling, William Brennan, Jack Guthrie, Jack Parmelee, Bernard Mahoney, Joan Meaker, Ottilie Schmidt, Veronica Price, Doris Doran, Barbara Field and Jane Dillingham who produced the violin effects.

## STAGE CREW

A bustling crew of twelve active members work their fingers to the bone building stage sets, manning lights and curtains, producing sound effects and cleaning up backstage to make possible the performance of those braves and squaws who dare venture forth onto that vast expanse, North's famous stage. For their labors they may earn Little Theater Guild awards.

# "To Each His Own"

## Lit Club

Education through books—reading and discussing good literature, learning to distinguish and appreciate good books and authors—is the Lit Club's motto. Since its organization in 1944, under the supervision of Miss Dorothy Tobias, it has donated six books to North's library including this year's gifts, "From the Top of the Stairs" and "Miracle of the Bells." Besides joint Christmas parties with the G.A.A. and an annual picnic in June, rush parties are given for prospective members. One program featured as guest speaker, Mrs. Gloria Nichols, who gave a detailed account of her native Philippines during the war.

## Projection Guild

Let 'er roll! Noontime movies, assembly and classroom programs needing projection equipment have been run by the Projection Guild for two years, under the direction of Mr. George Tate and Mr. Donald Roehm. Members who have done outstanding work are awarded pins.

## Forensic Forum

Under the direction of Mr. Daniel Dressler the Forensic Forum was established in 1939 for the benefit of students interested in formal debate. Each year the Forum has collaborated with Central in a debate or forum for the Civic Club.

## E Troupe

Need a good number for your show? The E Troupe can furnish it. These talented Troupers have entertained at the Bunny hop, Noontime Swingtime, award assemblies and the first North-Central dance. Cooperating with the E Troupe is the Girls' Glee Club which has more than doubled its ranks since 1946 when it was organized and led by student conductor Virginia Stanton, succeeded by Alice Kays.

## Y-Teens

Calling all girls! Girls who like a good time have entertained and given their services through the Y-Teens. With the help of Mrs. Helen Perkins the Teeners were organized in 1938. Selling forget-me-nots, attending the Annual Girl Reserves convention, sending delegates to a five-day conference at a camp near Buffalo, and holding parties and dances have afforded much pleasure to the girls.

## Hi-Y

Their pledge "To create, maintain and extend throughout school and community the high standard of Christian character," expresses the purpose of the Hi-Y, established in 1938 by Francis Ryan and Bill Parsons with Mr. Donald Roehm as first faculty adviser, later succeeded by Mr. Christian Hoffman and Mr. George Crane. By sending delegates to state and national conferences and sponsoring parties, movies, lectures and dances the Hi-Y upholds its pledge.

# *Smoke Signals*

Would-be journalists having agitated for a school paper, Mr. Weaver okayed the project and Miss Genevieve Heffron agreed to sponsor it. Its initial issue of March '41 featured an interview with Alfred Noyes and a "What Shall We Call It?" contest. North Star won.

After two terms of mimeographed issues, student interest justified an offset publication with a roto section one of its improvements. Mrs. Dorothy Ayers became sponsor, succeeded by Mrs. Helen Perkins and now by Miss Mary Conole.

During the war the North Star was sent to boys in service, published letters from them, promoted stamp sales and urged student victory gardens. Noon dances added to its revenue.

Heavily subscribed to because of its complete news coverage, the North Star continued in 1946-47 to publicize school projects and observe special occasions like St. Patrick's Day with a green printed issue and graduation with a senior section, and so strengthened school spirit.

Serving: William Turnpenny, Robert Ludden.

# *Ihikona*

With nearly 2,900 chapters spread across the continent, all founded on the ideals of scholarship, leadership, character, and service, the National Honor Society is the most respected organization of its kind. Because it bestows more honor and benefits upon its members than do local honor societies, the administration of North chose to affiliate with it in 1939 when the high scholarship of forty-six juniors and seniors demanded deserved recognition. Through the efforts of Mr. Maxwell Space, Miss Gertrude O'Connor, Mrs. Leta Weaver and Mr. Ronald Johnston, a charter was granted. The induction ceremony, now a tradition, was adopted and an induction team from Oneonta initiated the first candidates of North's Ihikona Chapter. The name Ihikona means "industrious worker."

Members serve regularly as ushers, sponsors of dances, movies, parties, picnics, besides participating extensively in sports, clubs and all other phases of school life.

Noontime Swing Time, fall talent show, went over big with a capacity audience. A mid-winter hayride for members, a Valentine dance, Cupid's Cotillion, and a picnic at State Park in June highlighted the social calendar. Plans for an interregional conference of Honor Society chapters had to be abandoned for the present. Scholarship being its first requisite for membership, the society voted to award to the highest boy and girl honor students of each graduating class an appropriate statuette, the first to be presented at the June '47 commencement exercises. Present faculty advisers are Miss Mary Gillespie, Mrs. Leo Nix, Mr. Delbert Booher and Mr. John Duff.

*Our brave beginning—those first rugged months when the Indians were outclassed in nearly all fields of interscholastic sports and the future held little promise of championships, trophies, or even first place—. Credit for our athletic achievement is due Jack Reutlinger for his tutelage of the sawdust and cinderboys and the basketball squad; to Bob Redman, Joe Vavra, Eddie Sawyer and Archie Allen for their work with the pigskin brigade; to Herb Nichols and Ken Stone for sandlot scores; and to Harold Gillespie, Joe Normile and Don Roehm for their coaching of tennis and golf. —Now the Main Office can no longer accommodate the growing lineup of trophies and cups that signify success made by North's athletic teams during their first ten years on the warpath.*

North High School's football Indians entered the ranks of interscholastic competition in 1937 with no playing experience and the first season produced a series of defeats. Only a tie with Walton, and Howie Dugo's 70-yard run with a long lateral to score North's first touchdown gave Indian rooters a chance to cheer. Starting lineup included: Lindsey, Holzer, T. Mastrogiocomo, Magnotta, Prusik, Triffo, King, Dugo, Watson, Thomas and Donaldson.

But with Bob Redman as head coach and Joe Vavra as his capable assistant, the Indians started to build and as early as 1938 results began to show as the Blue and Scarlet brought home victories over Liberty, Geneva and Walton. The following year witnessed ties with both Central and J. C. as the Redmen continued to develop.

The 1940 season has always stood out as North's big year. Only a powerful U-E club hung a defeat on the record and this by the narrowest of margins, while the Indians tied Central again and rolled up wins over Norwich, Utica Proctor, Middletown, Gloversville and Johnson City. Tally totals showed the Indians out in front by a 171-43 margin.

A poor start handicapped the 1941 squad which snapped back to achieve a record of four victories, a tie and two defeats. The 1942 season will be remembered for one of the best interscholastic games ever played on North field when the powerful warriors defeated Endicott for the first Binghamton victory over the Orange in 13 years.

Coach Eddie Sawyer took over in 1943 when Bob Redman became a naval lieutenant and led the way to North's first win over Central by a 14-12 score. George Kuzma was named the most valuable player. In 1944, the Indians slumped, ending up with two victories, three defeats and a pair of ties with Central.

Archie Allen took over the coaching reins in 1945 and the Indians came through with decisions over Ithaca, Utica Proctor, and Cortland, but lost key games to U-E, Central, and J. C. Hank Bolster, veteran guard, had the impressive record of 116 consecutive quarters of play.

## 1946 SEASON

**North 26, Ithaca 2.** Best opener in school's history marked North's tenth season as the Indians scalped the Little Red of Ithaca. Touchdowns came as the result of hard driving by Lyon, Hanifin, and Wilson, and superlative line play. In the closing seconds of the game, the Little Red put on a pass play only to have Buck Hogan, North quarterback, intercept the ball on his own 13-yard line, pick up blockers along the sideline, and sprint 87 yards for the final T. D. and one of the most spectacular plays of the season.

**North 0, Union-Endicott 12.** Over 8,000 spectators saw the Indians hold the powerful Orange Tornado to a pair of touchdowns. North's fans thrilled to a 65-yard run by Rog Lyon which was nullified by a penalty. A perfected aerial attack in the fourth period was the spearhead of an 87-yard drive deep into Orange territory, but time ran out on the Blue and Scarlet offensive.

Top left: With half of the tribe closing in on U.E.'s ball carrier, Rog Lyon (94), covering ground fast, makes the tackle.

**North 19, Central 6.** This contest witnessed decided North superiority over their city rivals. First half of the game was even with each side pushing over a touchdown. In the closing quarter, the Redmen sprung a razzle-dazzle lateral forward, Hogan to Yacko to LaGrasta, which found the North wingman all alone in the end zone.

Top right: Fast cutting Don Cross dumped by a Central player in first period of first Central game.

**North 13, Utica Proctor 27.** A big, powerful and fast Prox squad packed too many guns for the Indians. Proctor tallied first, but North flared back with a 30-yard run by Hanifin and a pass to Cross to even the count. Utica pushed across two rapid scores to out-distance the Indians before the half was over. The final North score came on two long runs by Hanifin and Petro.

Center left: Down under, Rog Lyon spills J.C. carrier as LaGrasta comes up.

**North 0, Scranton Central 31.** The Miners were ready for this battle and outclassed the Indians all the way. Minus their first string quarterback, the North attack sputtered and misfired while the Scranton "quickies" sent runners into the open all afternoon.

Center right: In the final seconds of the second Central game, Hanifin, who had been knocking down passes all day, knocks down the game-saving pass.

Above pictures—courtesy of Binghamton Press.

**North 6, Central 6.** With the city title at stake, the second North-Central battle was a crucial one for both teams. Central, out to avenge their earlier defeat, scored after an aerial barrage. In the fourth quarter, the Indians recovered a fumble and made a 45-yard drive for the tying T. D. with Hanifin going over.

Jerry Hanifin was awarded the WNBF trophy as the outstanding player of the Southern Tier.

Lyon, Hanifin, LaGrasta and Harvey were coaches' choices for positions on the honorary Triple Cities eleven. Hogan received honorable mention.

**North 21, Johnson City 0.** Closing the '46 season in an exhibition of fine play, the Indians capitalized on two sensational kickoffs by Captain Dick Harvey to garner a pair of touchdowns before the game was seven minutes old. The first boot went out on the Maroon 6. J. C. punted but Lyon, Hanifin and Wilson lugged the pigskin over without being checked. The second kickoff hit the same spot and North's Gene Johnson, best end on the field, blocked the Maroon punt for the second T. D. During the third period, Indian strategy faked a line play with a lateral coming back to Harvey for a clear pass to LaGrasta in the end zone.

## *Jayvee*

Organized in 1939 to furnish material for the varsity, the J. V.'s have come under the guidance of Charlie Ellis, Andy Harris, Jack Reutlinger and Ernie Lalley. Ups and downs, common to all teams, have been the lot of the squad, ranging from an undefeated season in 1941 to a washout in 1945. 1940 saw the J. V.'s take the city championship. 1946 papooses, though losing every game, gained experience that will make them valuable timber for next year's varsity. Boys most likely to see action include Joe Giannetto, Ed LoVuolo, Bob Krach, Bruce Franklin, Dick Kabat, Larry Miller, Connie Mastrogiovanni, Bill Shramek and Jim Bullock.

Jayvee Squad — Back row: Coach Ernie Lalley, John Cizauskas, Rog Haines, Ron Johnston, Bob Quinn, John Little, Larry Miller, Max Yurenda, Bill Shramek, Charles Fox, Joe Shirhall, Allan Stanton, Carl Squires. During its first decade North's varsity and Jayvee basketball teams, all coached by Jack Reutlinger, have piled up a commendable record. Altogether the varsity has won 111 games and lost only 69. North's best season was '45-'46 when it amassed 1093 points to the opposition's 858 by winning sixteen and losing six games. Twice the Jayvees have been Conference champions, first in the '38-'39 season by winning fifteen and losing one and second in the '46-'47 season overcoming fifteen opponents and succumbing to none.

Teamwork, essential to all good games, has made possible the outstanding records of such players as Bill Hoeppel, Bill Zinck, Don Day, Frank LoVuolo, Paul Derzanovich, George Deuel, Tom Sutphen, Bob Day, Bob Houlihan, Fred Raeder, Harold Burns, Bill O'Donnell, Joe Barrett, Nick Homa and Bob Roche.

1946-47 Season

Despite starting as a green team, North's cagers again came through with an eventful season, winning thirteen out of nineteen games played. Buck Roche, Ben Clarke, George Capwell and John Donnelly consistently played brilliant ball. The highest score was piled up when North swished 60 points into the basket to Elmira Southsiders' 37. Three overtime games furnished thrills galore, two of them heartbreaking defeats. After staying in second place throughout the season, the Redmen were pushed out of the sectional playoffs by U. E. With many veteran cagers returning, North is assured of strong varsity and Jayvee teams in 1947-'48.

# *Hits and Mitts*

Baseball has been an Indian strong point throughout the ten years that the school has been represented on the diamond. A majority of North teams have been contenders for Southern Tier and Triple Cities titles, and the squads have always been marked by talented players.

First and one of the best was the 1938 team with pitchers Jack Brown and Dick Bailey. Abe Rosenthal, who met his death on a bombing mission over Germany, was catcher. Other members of this commendable green squad were Lupton, Hastings, Lewis, Muzursky, B. Campbell, Harris, Parsons, Harding, Wildy, Mee, Thomas, Goerlitz, J. Campbell, O'Neil, Hudy and Hoeppel.

The following three years witnessed squads with fine records. During the '39 season North boasted of an infield with an "A" scholastic average. In 1942 Bob Redman took over the coaching duties and the Blue and Scarlet went down to the final game of the season before dropping the title tilt to a strong J. C. nine.

North fought through to its first championship in 1943, forging ahead with fine pitching, hitting and fielding. The 1944 diamond aggregation had plenty of class but bad breaks plagued the club which won four and lost three. A slow starting team staged a strong finish the following season to defeat Central in the county championship before dropping a 4-1 decision to Oneonta in the sectional semi-finals.

# *Heats, Heights & Hurdles*

North's track schedules were first made for the 1938 season when the Indians worked out at MacArthur Field and a big squad gained the necessary experience to enter interscholastic ranks with Jack Reutlinger as coach. 1939 found the Warriors fortified with Jack Seeley, T. C. sprint champion; Bob Booth, star hurdler; Chet Webb, discus record holder, and John Arrigoni and Ace Wall, sprinters. In 1941 Jack Seeley easily won in the sprints. Pete Austin did a fine job in the hurdles and high jump, climaxing the year at Cornell with a jump of 5' 11", a mark still standing. North's relay team of Seeley, Arrigoni, Culbertson and Bacon set a Triple Cities record not broken until 1946.

The Indians continued to improve in 1942, Seeley starring in the sprints and Hal Heaton working wonders with the weights. 1943 saw the Indians burst out with talent in every spot to sweep the Triple Cities crown for the first time. Leland Shimer, later killed in action in Italy, took the sprints; Jack Lott and Al Fabrizio dominated the 440; Ed Reynolds was almost unbeatable in the half mile, and George Harding and Constantine were mile aces. Bob Coffey was North's hurdler and Frank Gallagher earned points in the high jump. Hal Heaton repeated in the shot and discus. A capable successor to Seeley, John Campbell dominated the sprint field for three seasons. George Booth took up in the hurdle event; Austin Cline was a capable 440 man, and Ed Reynolds continued his great running in the 880. Tom Sutphen inherited Heaton's job in the weights and Tom Hanifin starred in the high jump. Illness hurt the team's chances to repeat their 1943 championship form.

## Cross Country

Top left: Cross Country Squad—Back row: Mr. John Sasinek, Roger Salie, Ronald Pedrone, Ted Laski, Lawrence Benedict, Gerald Patton, Robert Pierdomenico. Front row: Tony Winkler, Ken Griffith, Robert Garvey, Robert Koltz, Carl Rasmussen, Phil Voyle, Frank Leone.

Mighty miler, Tony Winkler, working out in time trials. Holder of the Press trophy for cross country, he broke the sectional meet record by shaving 2 seconds from the 2.3 mile run.

Introduced to North in '43 by Jack Reutlinger, the hill and dale squad managed to take a second place its first year and to clean up Central in '44. Harold Gillespie took over the coaching runs in '45, and his speedy harriers, paced by Tony Winkler, earned eighth place in competition with the entire state, and second in the annual Section IV meet.

With John Sasinek coach in 1946, the squad, again paced by Tony Winkler, outdistanced all local competition. In the first meet they beat U.E., and Winkler set a new record of 10:59 for that course. In competition with 24 schools from all over the state, North placed fifth. Taking the first six places in a meet with Central, the harriers defeated city rivals 15 to 53. North placed ninth in statewide competition at Syracuse. A win over Vestal came next and then the first place slat to earn a leg on the Press Trophy. In a spectacular climax to the season the squad took first place for the annual sectionals trophy. Members of this championship squad who received sweaters and letters are Winkler, Coyle, Rasmussen, Leon, Koltz, Griffith, and Garvey.

Second left—Kick 'em far! Of the fifty-six enthusiasts playing on four teams Norma Templetons' fourteen fast-moving Normans swamped all competition to capture first place. Second right—Ground sticks, ground sticks, ground sticks, ground! Forty hardy fans played a Round Robin tournament when wet October weather permitted.

## G. A. A.

Girls' Athletic Association was originated in 1937 under the direction of Mrs. Gladys Ordway and Miss Irene Motyka, to develop leadership and sportsmanship and to create a spirit of friendliness and cooperation among people. To become a member a girl must earn 40 points by entering into sports played after school. She then receives an invitation to join the club. Each year two or three seniors, after three years' participation in girls' intramurals, having amassed 300 points, become eligible for the coveted major award, a gold pin in the form of the letter N. Mrs. Wilma Kern is present faculty adviser.

Third left—Back row: Nancy Morss, Barbara Hagaman, Eleanor Thim, Frances Banczyk, Rae Stephens, Marilyn Bostwick, Marie Marcello, Betty Harvey. Second row: Ann Donnelly, Doris Landers, Grace Mastrogiacomo, Dorothy Lane—Secretary, Jean Kettle—President, Betty McNamara—Treasurer, Patricia Grace, Kathleen Jones, Norma Templeton, Mary Mastrogiavanni. Front row: Fall initiates, Juanita Seeley, Helen Hallett, Jene DuBois, Rosemary Little, Mary Lou Calabrisi, Vivian Wright, Beverly Harris, Isabella Hutchings, Marilyn Transue, Lindy Fairchild, Adele McDevitt, Barbara Baker, Blanche Dedrick. Absent—Jeanine Reynolds—Vice-President.

Third right—G.A.A. Spring initiates—Back row: Frances Mower, Mary Aldrich, Doris Hoyt, Nancy McLennan, Eileen Stevans. Second row: Mary Burke, Patricia Krause, Vicky Waitkavicz, Mary Rogan, Wanda Roland. Front row: Sandra Titus, Alice Rice, Christine Contro, Margaret Gallagher.

## Varsity B

Organized in 1939 to honor outstanding athletes and promote good sportsmanship, the Varsity "B" Club is a little known organization because membership is limited to winners of a major letter in an interscholastic sport and is purely honorary in nature. Special awards have been given to members earning a letter in each of three varsity sports or a letter each year for three years in a single varsity sport. In 1940 a policy was adopted whereby the members could see at least one outstanding collegiate athletic event every year. That season the club saw Michigan State battle Syracuse University. But with the advent of World War II this policy was discontinued. The nomination in 1942 of grid star Ted Rivenburg for the book "Athletes of America" is one of the outstanding honors conferred on a Varsity B winner.

Varsity B—Back row: Dick Rounds, Bob Giblin, Bob Gitchell, Bill Corey, Bill Curran, Bert Wright, Bob Puglisi, Phil Ragard, Bob Koltz, Joe Micallizzi, Joe Roma, Ken Wilson, Buck Roche. Third row: Carl Rasmussen, Dick Harvey, Vince Garbarino, Bill Jamieson, Don Clift, Rudy Svoboda, Nick Petro, George Capwell. Don Pratt, Mike McGowan, John Kabat, Vince Benko, Jerry Hanifin, Phil Coyle, Bob Harvey, Don Cross. Second row:—seated: Don LaGrasta, Chuck Welsh, Gene Johnson, Warren Jennings. Front row:—kneeling: Bill Braman, Bill Deinhardt, Roger Lyon—President, Tony Winkler, Doug Seaman, Ken Griffith.

## Intramural Basketball

Intramural basketball provides a practice field for boys, many of whom are added later to jayvees or varsity squads. High class competition has kept basketball on a high plane at North since 1937. So great has been enthusiasm that between twenty and thirty teams have played each year. In the fall of '46 twenty teams in four leagues each played from eight to twelve games depending on how far each advanced in playoffs. Results of single elimination playoffs in January in two classifications were: Class A winners: Captain Ernest Mecke, Bill Starner, Ray Shaw, Tom Haggi, Don Bailey, Bill Jamieson and Jerry Palmer. Charles Fox's Class B winners included Tom Ward, Jack Crounse, Ray Salie, Don Bernnan, Harry Zeamer and Bud Franklin.

| Nichols | 7 | 4 | Prenderast | 6 | 4 |
| Mastrogiavani | 6 | 4 | | | |
| Theobald | 5 | 3 | | | |

During the spring three leagues of 23 teams played after school and at noon with a double elimination playoff to end the season. Final games at noon found the gyms crowded and the games close.

## Volleyball

A look backward through the years reveals that volleyball worked its way into North's sports calendar as an intramural activity in 1939 for a two-year trial period. Though the squad participated in tournaments with Triple Cities scholastic and faculty teams, it did not acquire varsity status until 1945 when Coach Archie Allen revived interest in it and organized a league comprising Vestal, Johnson City, Central, and North. The team was highly successful, ending second in the league standings and winning the Class A Section IV NYSPHSAA tournament. This year's squad, coached by Mr. Allen and Mr. Howland, was chosen from the outstanding players in the noon volleyball league. Sparked by Svoboda, Bram, Pratt, Gitchill, Winkler and Skomskie, the team finished second behind Central in both the regular season and the Class A tournament.

## Bowling

North's bowling squad, headed by Coach Ernie Lalley, had its origin in 1940 and was included in the inter-scholastic league in the '41-'42 season when it was victorious in capturing the league trophy. An individual trophy was won by Joe Carmel, and a prize bowling ball by George Ruple. During the war years, '42-'43, the squad was disbanded. As a result of this inactivity, the keglers finished fourth in the league in '44-'45. Showing improvement during the '46-'47 tournaments, they won nine, lost fifteen and ended in a tie for third place.

Top left—Intramural leagues spring play-off—Runners up—Back row: Bob Koltz, Tom Haggai, Charles Atwood, Harold Grace, Don Van Amburg, Don Clift, Bill Jamieson. Winners—Dick Spafford, Dick Bowman, Don Puglisi, Connie Mastrogiavani, Larry Miller, Bill Griswold, Jim Bernhardt. Top right: What a boy can do in intramural competition may lead to his selection by Coach Reutlinger for Jayvee or varsity squad.

Second left—Volley ball—Back row: Mike Baka, Louis Skomskie, Bruce Franklin, Charles Fox, Richard Kabat, John Slocum, Tony Winkler. Front row: Ronald Pedrone, Rodney Pratt, Harold Beam, Bob Gitchell, Russ Wiltsie, Joe Giannetto, Steve Cannon. Absent: Rudy Svoboda, Warren Jennings. Second right—Hit 'em high! Among the eight teams a Round Robin tournament of twenty games was held. Betty Harvey's B.T.O.'s (Big Time Operators) won first place.

Third left—Pep: Organized in 1946 by Mrs. Wilma Kern and thirty-six girls, Pep Club now has 100 members whose cheering section at games and rallies and whose blue and scarlet shakers and caps contribute the clamor and color that stimulate school spirit.

Third right—Pep Club officers: Philomena de Persis, secretary-treasurer; Dorothy Lane, president; Mrs. Kern, faculty adviser; Betty MacNamara, vice-president.

Lower left: Gutter ball?!?! Signing up for twelve squads, eighty eager beavers bowled three nights a week. Highest score, 168, was bowled by Dolores Kilmer. Lower right: Andy Katusak lets one go. Back row: Rudolf Valachovic, Bob Morgan, Gordan Reno, Vince Benko. Front row: Andy Pelshaw, Bob Wright, George Chope, Ernest Mecke, Pete Yacko.

# All Sorts of Sports Reports

Top left, Golf — Back row: Robert Pierson, Donald Mills, Ed Ferenczi, Dick Wiselogel, Valentine Horvath, Mr. Donald Roehm. Front row: John Hepworth, John Zulick, Ambrose Ziats.

Top right, Bull's Eye: Fifty girl archers with Eileen Stevens, Vivien Wright, and Mary Rogan as ladies paramount have improved their posture and co-ordination during current season.

Second left, Tennis — Back row: James Caciola, Richard Bussom, Everett Kimball, Robert Whipple, Jack Hannay, John Thomas, Coach Sasinek. Front row: Raymond Livingston, Lewis Evans, George Butts, Robert Gitchell, Darwin Lindsley, Kenneth Kinsor. Foreground: Charles Atwood.

Second right, Tennis Tally: Learning fundamentals of tennis has been the object of this year's non-organized group of eighty girls under direction of Mrs. Wilma Kern.

Third left, Birdie Batters: participating in three tournaments, thirty-six girls played nineteen games during badminton season.

Third center-up and at 'em: Every year basketball proves the most popular girls' sport, the 1946-47 season drawing 150 girls into two leagues of six teams each and a total of forty-six games. In the playoffs Marjorie Smith's team, A league winner, defeated Jean Kettle's, the B league victor.

Third right, Springtime Swingtime: For the softball season two leagues were formed, National and American, with eight teams under managers Rita Detrick, Jean Kettle, Grace Mastroaiacomo, Nancy McLennan, Isabella Hutchings, Doris Landers, Blanche Dedrick, and Marge Smith.

Lower left, Ping Pong Paddles: Top four of the twenty-two girl Ping Pong ladder tournament were Marilyn Transue, Isabella Hutchings, Jean Kettle, and Marilyn Bostwick.

Lower right, Fight! Team! Fight!: North's school spirit soared at football and basketball games under pressure of her perfectionist cheerleaders. Ten new Jayvee members were selected from one hundred interested Injuns at tryouts.

## Golf

Golf was introduced at North in 1939 by Mr. Donald Roehm. Lack of interest and experience has kept North off the fairways four seasons out of ten. In all weather this spring the golf team, again coached by Don Roehm, could be seen swinging away out on the fairways. Though defeated most of this season the boys got valuable experience for next year's sessions.

## Tennis

Tennis made its debut at North in 1939. Coach Joe Normile worked hard with the net boys for four years and then Harold Gillespie took over. In 1945 the doubles team of Hoeppel and Bennett came in second in the sectionals. With a large squad in '46, the racket boys put in a fair season. With John Sasinek as coach this year, the boys delivered an average North record. But, the prospects for next year are bright with the expected return of most of the squad.

## Cheerleaders

"Sophomores, Juniors, Seniors you can all try out! Report to the gym at 3:30." This competitive basis was established for the cheerleaders in 1938 under the supervision of Mr. Raymond Merchant. During their first decade the cheerleaders have made up the vast number of cheers, songs and yells that Indians use to voice their support of North. Under Mrs. Irene Hartung, the ranks increased from seven to eleven, and Mrs. Wilma Kern, present adviser, reorganized the activity and created a Jayvee squad first headed in 1945 by James Keefe and Donald McNitt. Members move up to the varsity as vacancies occur. Following the precedent for a senior to be chosen head cheerleader, Barbara Hagaman was fall leader and Leo Phillips, spring leader. B Awards are presented for two years' active service.

Track..... (continued from page 66)

In 1945 a new galaxy of stars was prepping for future fame. Rog Lyons, starting out as a weight man, was shifted to the hurdles and broad jump, where he is still a top performer; Campbell became the T.C. sprint king, Bob Curran outfought all half-mile contenders, and G. Booth and Hanifan contributed wins in the hurdles and high jump. Bob Hoyt, excellent pole vaulter; Cross, Valla and Mathias helped the Warriors to a great victory at Syracuse against 17 other schools.

Best team in Warrior history, after victories over Central, J. C. and U-E in dual meets, a close second place in the Utica quadrangular meet, the 1946 Indians swept to the Triple Cities championship and a decisive win in the sectional events at Cornell. Campbell flashed to victory in the 100 and 200; Dick Mathias aided the 440, Carl Rasmussen was a point getter in the half, and Tony Winkler and Frank Leone were star distance runners. Lyon breezed in in the hurdles event, while the relay squad of Campbell, Hanifan, Haines and Lyon ran away from other quartets. Joe Kabanek led in the shot and discus, ably aided by Leone and Jennings in the discus. Chuck Welsh and Nick Petro did well in the high jump, with Lyon and Jerry Hanifan contributing points in the broad jump.

Indian track men have set Triple Cities records in the 100 and 220, where Campbell was unbeatable, in the hurdles with Rog Lyon topping the timbers, and in the quarter mile relay. As the 1947 season opened, North holds 6 of the 12 Triple Cities records, a fine testimonial to the coaching skill of Jack Reutlinger who has made track a consistent winner for the Blue and Scarlet.

On Saturday, May 31, the four Tri Cities schools competed for the Babcock Bowl, won twice by each school. The meet showed up as a close one with North winning and gaining permanent possession of the Babcock Trophy.

June 7 saw the first four place men of the Triple Cities meet and of the East and West Zone meets compete at Cornell University for sectional honors. Prospects for a low scoring close meet were in the making.

Baseball..... (Continued from page 66)

Another failure in the crucial contest prevented the '46 Indians from annexing the league title and a crack at sectional honors. Superlative pitching by Bucky Roche and fine support from his battery mate, Phil Ragard, were highlights of North's four straight wins of the 1947 baseball season. Roche hurled a one-hitter against Vestal, defeated Endicott and Ithaca, and relieved Ken Wilson against Central.

Timely hitting to support the battery work came from Vince Garbarino and Rudy Svoboda.

At Wampum deadline time, the Indians were in a virtual first-place tie with Elmira South Side and facing a crucial battle with the Green and White in the Chemung City. Coach Charles Howland, working with a jayvee squad of twenty men in an effort to develop good players for next year's varsity, has already sent Ray Wilson, Willy Gow and Red Ferrell to the varsity.

## It Takes Imagination To See Beyond The Horizon

Thos J Watson

IBM

# From the Class of '47

THEY'LL pass their chem and Latin, many will win their letter on the team . . . then set out for new goals . . . with hope in their hearts, heads full of plans!

And why not! In this land of opportunity men have fought at home and abroad to give them their chance. Men have spent blood, and time and dollars to insure their rights as individuals . . . their dignity as citizens . . . their freedom of enterprise, education and worship!

But it is up to us to see that these opportunities are not denied them.

America's future lies in their hands . . . and in the hands of all graduates this crucial year of 1947! As they progress towards a better world they can depend upon American newspapers—such as *The Binghamton Press*—to support their ideals and maintain their cherished American traditions.

# The Binghamton Press

The American way of life is rooted in a Free Press. And an informed and unified public opinion is the ONLY force strong enough to protect America against those subversive forces that would sabotage our Democracy.

## Take the "IF" out of LIFE
## With Life Insurance

No matter what your plans for the future may be, life insurance will help you attain your goal.

Thousands of concerns throughout the nation have on their employment application blanks the question: "How much life insurance do you own?" Why do they ask? Because ownership of life insurance shows thrift and foresight not only for today but for the future.

# AMERICAN TRADITION

• Quality, Integrity and Dependability have established themselves as a definite tradition with Pontiac. We have been constantly on the alert for new and improved procedures in yearbook designing and service. Our modern precision equipment is concrete evidence of adherence to this policy. Our experienced craftsmen and servicemen are carefully supervised by experts in the field of distinctive school publications. We are proud to have played a part in the publishing of this book in the capacity of official photo engravers. Our entire personnel congratulate the staff for their splendid work and cooperation.
